- skin toning & tightening

RF PIXEL

Price per area guide & consultation From R375 - R2000 p.a

A revolutionary new aesthetic treatment based on Pixel Radio Frequency that repairs scars, sun damaged skin (pigmentation), helps in skin resurfacing (wrinkles) and treatment of scars resulting from acne, chicken pox, surgery, or trauma.

It is safe to use on the whole body. After RF Pixel treatments your skin generally feels softer, look smoother and feel tighter, and pores are usually smaller. There may be some temporary redness directly after treatment.
